

## Holthe Prairie SNA

### Plant List

| Herbarium Scientific Name                     | Minnesota DNR Common Name    | Status     |
|-----------------------------------------------|------------------------------|------------|
| <i>Agrostis stolonifera</i>                   | spreading bentgrass          |            |
| <i>Amorpha fruticosa</i>                      | false indigo                 |            |
| <i>Asclepias incarnata</i>                    | swamp milkweed               |            |
| <i>Bidens cernua</i>                          | nodding bur marigold         |            |
| <i>Calamagrostis stricta subsp. inexpansa</i> | northern reed grass          |            |
| <i>Carex aquatilis</i>                        | aquatic sedge                |            |
| <i>Carex crawei</i>                           | Crawe's sedge                |            |
| <i>Carex hystericina</i>                      | porcupine sedge              |            |
| <i>Carex prairea</i>                          | prairie sedge                |            |
| <i>Carex sartwellii</i>                       | Sartwell's sedge             |            |
| <i>Cicuta maculata</i>                        | spotted water hemlock        |            |
| <i>Cornus sericea</i>                         | red-osier dogwood            |            |
| <i>Cyperus bipartitus</i>                     | brook nut sedge              |            |
| <i>Cyperus strigosus</i>                      | straw-colored umbrella sedge |            |
| <i>Doellingeria umbellata</i>                 | flat-topped aster            |            |
| <i>Echinochloa crus-galli</i>                 | cockspur barnyard grass      |            |
| <i>Eleocharis sp.</i>                         | spikerush                    |            |
| <i>Eupatorium perfoliatum</i>                 | common boneset               |            |
| <i>Euthamia graminifolia</i>                  | grass-leaved goldenrod       |            |
| <i>Eutrochium maculatum</i>                   | spotted Joe pye weed         |            |
| <i>Glyceria striata</i>                       | fowl manna grass             |            |
| <i>Helianthus grosseserratus</i>              | sawtooth sunflower           |            |
| <i>Juncus arcticus var. balticus</i>          | baltic rush                  |            |
| <i>Juncus nodosus</i>                         | knotty rush                  |            |
| <i>Lobelia kalmii</i>                         | Kalm's lobelia               |            |
| <i>Lobelia siphilitica</i>                    | great lobelia                |            |
| <i>Lycopus asper</i>                          | rough bugleweed              |            |
| <i>Lysimachia quadriflora</i>                 | prairie loosestrife          |            |
| <i>Muhlenbergia glomerata</i>                 | clustered muhly grass        |            |
| <i>Parnassia glauca</i>                       | American grass-of-parnassus  |            |
| <i>Pedicularis lanceolata</i>                 | swamp lousewort              |            |
| <i>Persicaria maculosa</i>                    | lady's thumb                 |            |
| <i>Pycnanthemum virginianum</i>               | Virginia mountain mint       |            |
| <i>Rhynchospora capillacea</i>                | hair-like beak rush          | Threatened |
| <i>Schoenoplectus tabernaemontani</i>         | soft stem bulrush            |            |
| <i>Scirpus pallidus</i>                       | pale bulrush                 |            |
| <i>Solidago riddellii</i>                     | Riddell's goldenrod          |            |
| <i>Symphyotrichum novae-angliae</i>           | New England aster            |            |
| <i>Typha angustifolia</i>                     | narrow-leaved cattail        |            |
| <i>Verbena hastata</i>                        | blue vervain                 |            |
